

SDUHSD 2016-17 to 2017-18 Math Course Transition

2016-17 Course

Integrated Math A
Essentials

2017-18 Course

Integrated Math B
Essentials

Integrated Math B
(Bridge Required)

- With A grade in IMAE, we recommend the mandatory summer bridge (pass/fail - requires attendance, not online/indep study) & enrollment in IMB in 8th grade. If student does not complete summer bridge, then enroll in IMBE in 8th grade.
 - With B or C grade in IMAE, students are eligible to complete a mandatory summer bridge (see above) and, if passed, enroll in IMB in 8th grade. This should be decided in consultation with the IMAE teacher, family, and counselor.
 - With D or F in IMAE, student should enroll in IMBE in 8th grade.
-

Integrated Math A

Integrated Math B

Integrated Math B
Honors (Bridge
Recommended)

- With A grade in IMA, we recommend consultation with IMA teacher and placement in either IMB or IMBH.
 - With B or C grade in IMA, we recommend IMB.
 - Any student moving from IMA to IMBH is strongly encouraged to complete the independent study summer bridge.
 - With D or F grade, the counselor, IMA teacher, and family consult to determine appropriate placement (IMB or IMBE).
-

Integrated Math A
Honors

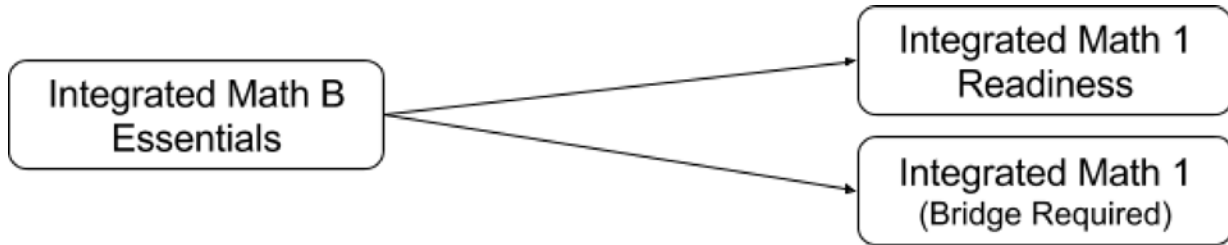

Integrated Math B

Integrated Math B
Honors

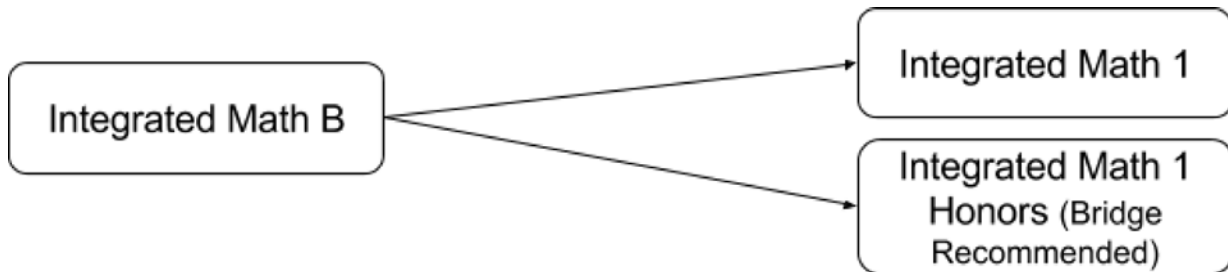

- With A or B grade in IMAH, we recommend IMBH.
- With C grade in IMAH, we recommend IMB.
- With D grade in IMAH, we strongly recommend IMB.
- With F grade in 2nd semester IMAH, mandatory move to IMB.

2016-17 Course

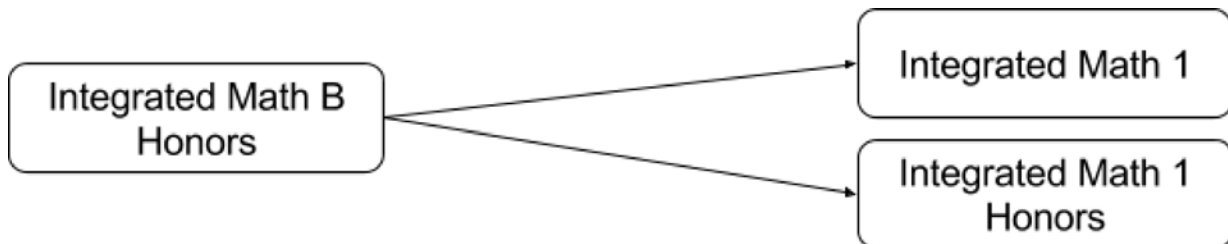

2017-18 Course

- With A grade in IMBE, we recommend the mandatory summer bridge (pass/fail - requires attendance, not online/indep study) & enrollment in IM1 in 9th grade. If student does not complete the summer bridge, then enroll in IM1R in 9th grade.
- With B or C grade in IMBE, students are eligible to complete a mandatory summer bridge (see above) and, if passed, enroll in IM1 in 9th grade. This should be decided in consultation with the IMBE teacher, family, and counselor.
- With D or F in IMBE, student should enroll in IM1R in 9th grade.

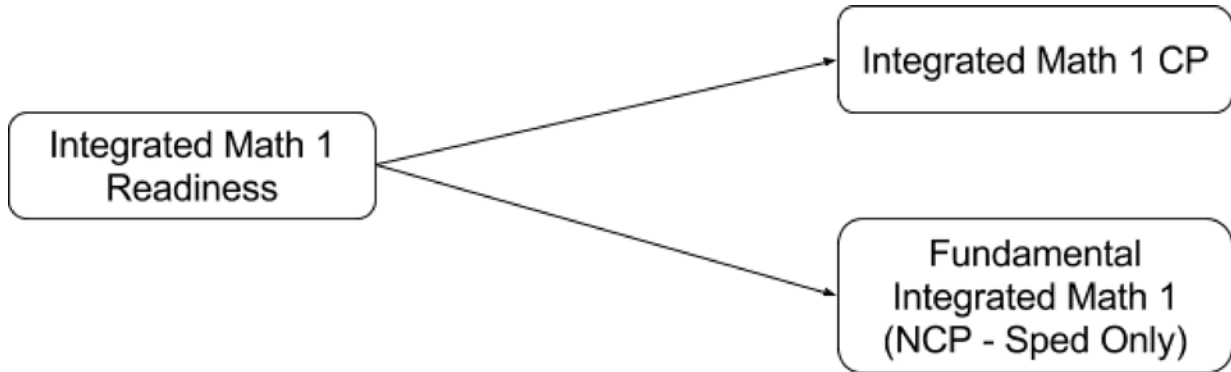

- With A grade in IMB, we recommend consultation with IMA teacher and family and placement in either IM1 or IM1H.
- With B or C grade in IMB, we recommend IM1.
- Any student moving from IMB to IM1H is strongly encouraged to complete the independent study summer bridge.
- With D or F grade, the counselor, IMB teacher, and family consult to determine appropriate placement (IM1 or IM1R).

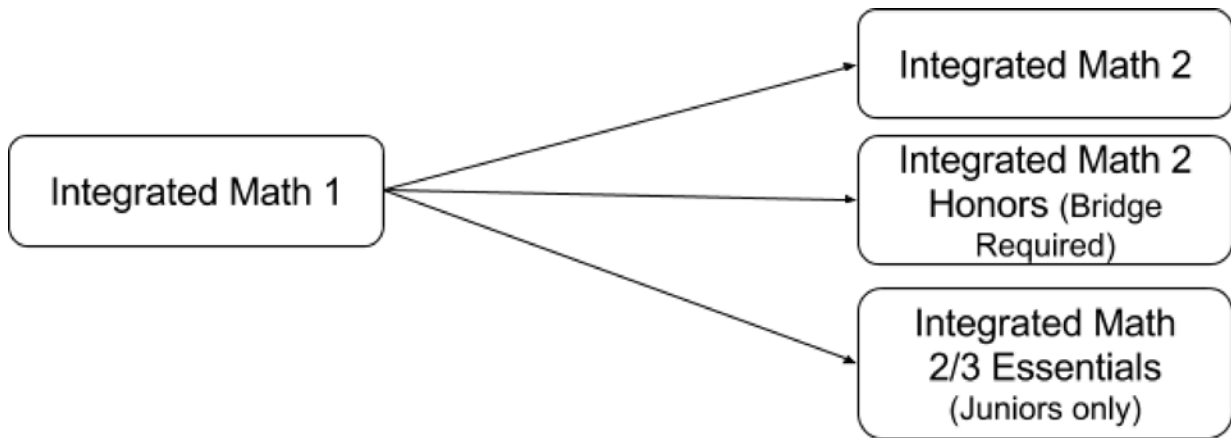

- With A or B grade in IMBH, we recommend IM1H.
- With C grade in IMBH, we recommend IM1.
- With D grade in IMBH, we strongly recommend IMB.
- With F grade in 2nd semester IMBH, mandatory move to IM1.

2016-17 Course

2017-18 Course

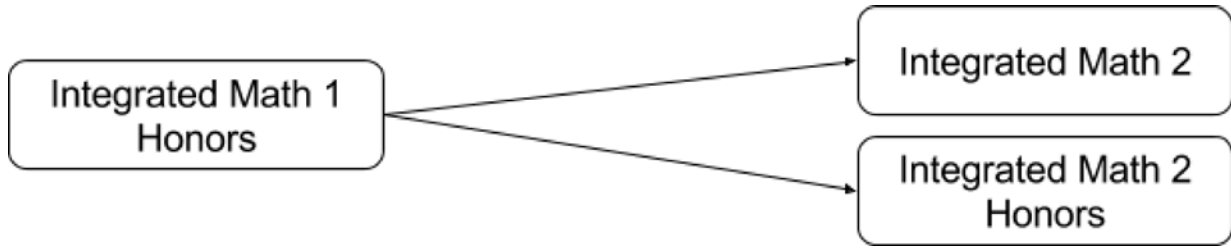

- With A, B, or C grade in IM1R, we recommend IM1.
- 9th graders with D grade should repeat IM1R.
- 10th graders with D grade should go to IM1 (CP or NCP).
- 9th graders with F grade in IM1R should repeat IM1R in 10th grade.
- Fundamental IM1 is only available to students with an IEP - placement decision is made by IEP team with input from IM1R teacher and counselor.

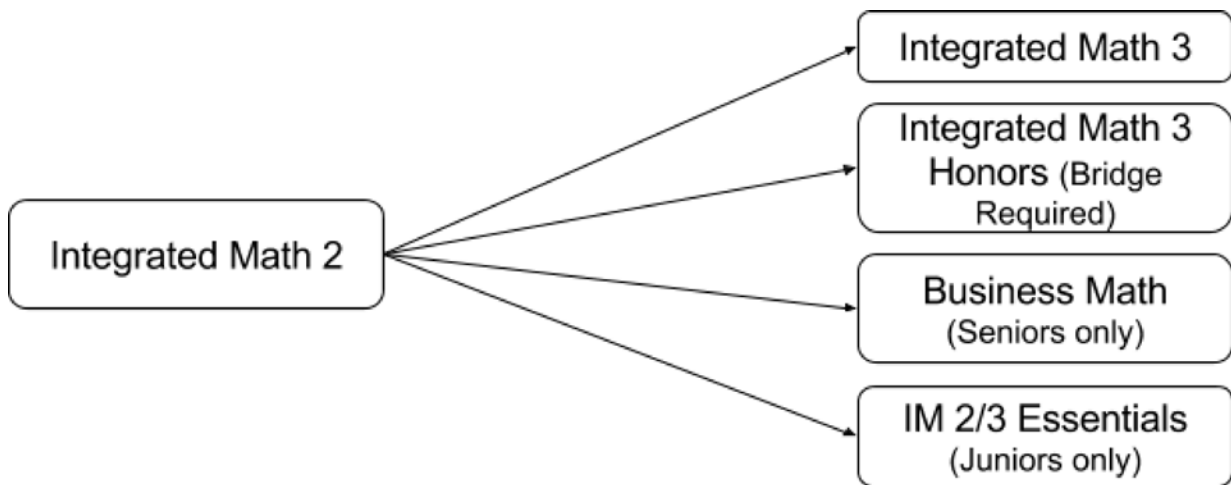

- With A grade in IM1, we recommend either IM2 or IM2H (IM2H requires bridge)
- Any student wishing to move from IM1 to IM2H must complete/pass the mandatory summer bridge.
- With B or C grade in IM1, we recommend IM2.
- 9th or 10th graders with B or C grades in IM1, we recommend IM2.
- 9th graders with D grade, we recommend repeating IM1.
- 10th graders with D grade, we recommend IM 2/3 Essentials in 11th grade.
- Any student with F grade in IM1 is a mandatory repeat of IM1.
- Sped students who take IM1 (CP) and do not pass may consider Non-CP IM1. Non-CP IM1 is only available to students with IEP - placement decision is made by IEP team with input from IM1 teacher and counselor.

2016-17 Course

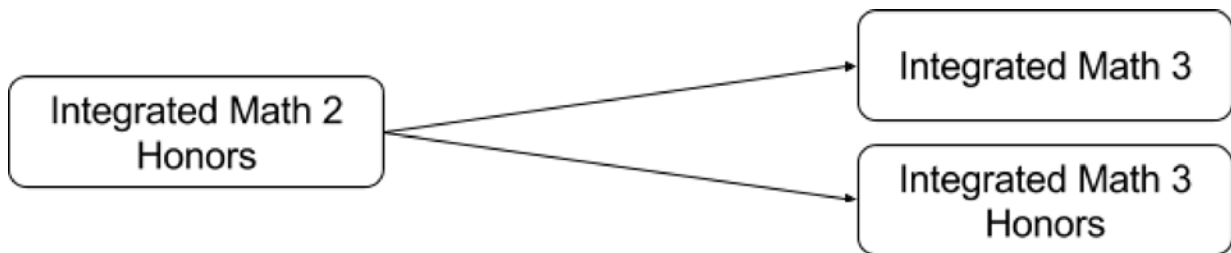

2017-18 Course

- With A or B grade in IM1H, we recommend IM2H.
 - With C grade in IM1H, we recommend IM2.
 - With D grade in IM1H, we strongly recommend IM2.
 - With F grade in IM1H, mandatory repeat of IM1H (or IM1, but won't replace IM1H grade).
-

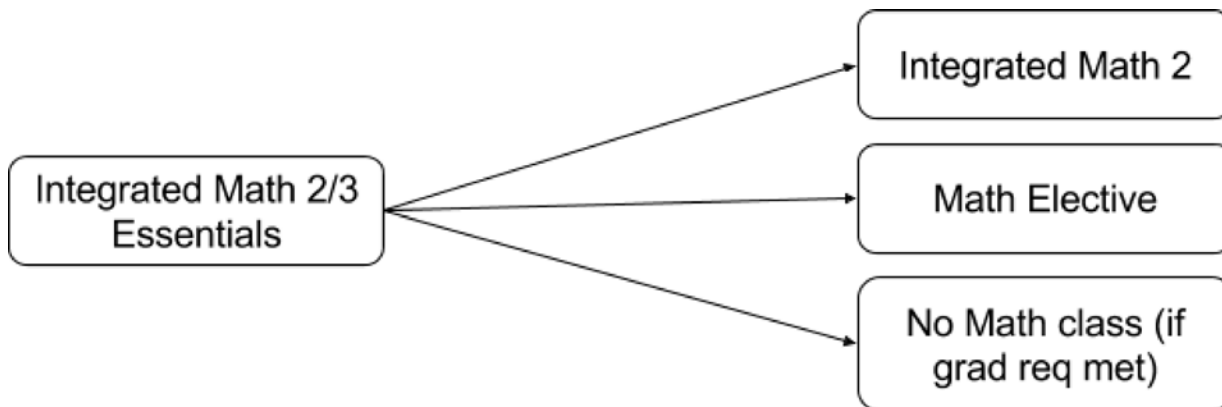

- With A grade in IM2, we recommend either IM3 or IM3H.
 - Any student wishing to move from IM2 to IM3H must complete/pass the mandatory summer bridge.
 - With B or C grade in IM2, we recommend IM3.
 - With D grade in IM2, we recommend IM2 repeat, IM2/3 Essentials (Juniors only), or Business Math (Seniors only).
 - With F grade, we recommend IM2 repeat, IM2/3 Essentials (Juniors only), or Business Math (Seniors only)
-

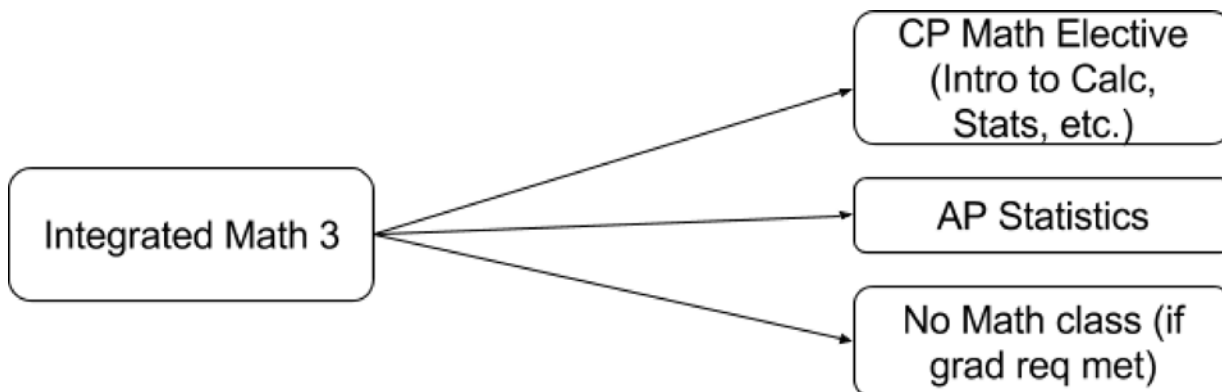

- With A or B grade in IM2H, we recommend IM3H.
- With C grade in IM2H, we recommend IM3.
- With D grade in IM2H, we strongly recommend IM3.
- With F grade in IM2H, mandatory repeat of IM2H (or IM2, but won't replace IM2H grade).

2016-17 Course

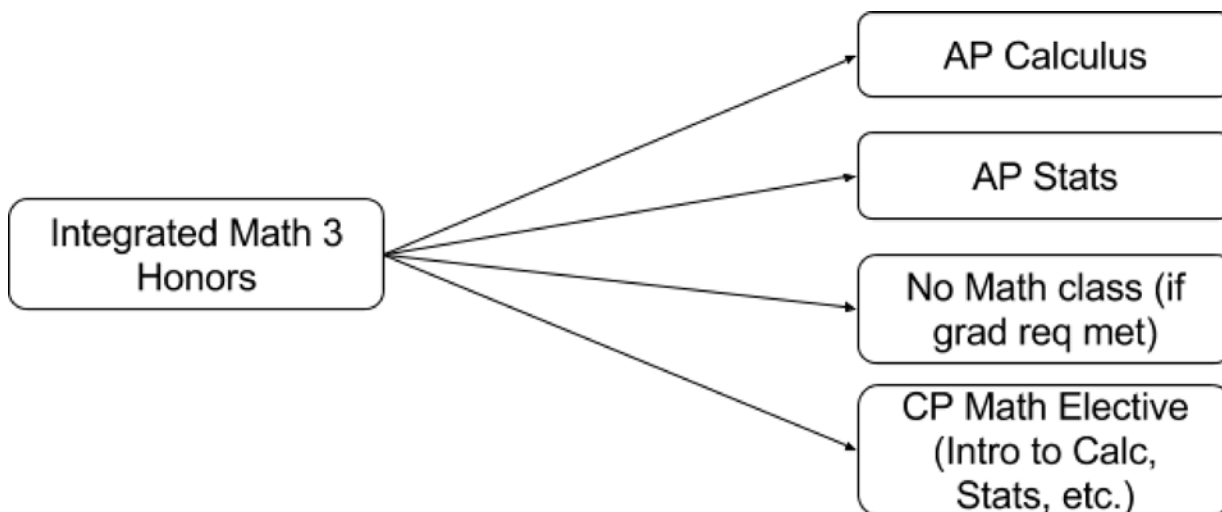

2017-18 Course

- With A, B, or C in IM2/3 Essentials, we recommend IM2, Business Math (Seniors only) or other Math Elective.
- With D or F in IM2/3 Essentials, we recommend Business Math (Seniors only).
- If graduation credits are met, no math is required in subsequent year.
- If student previously passed IM2 & passes IM2/3 Essentials, then IM3 is ok.

- With A, B, C in IM3, recommend CP Math Elective (Intro to Calc/Stats/etc.) or AP Stats.
- Seniors may enroll in Business Math.

- With A or B in IM3H, we recommend an AP math course.
- With C in IM3H, we recommend CP Math Elective such as Intro to Calc, Statistics, etc.
- With D or F in IM3H, we recommend repeat of IM3H or Business Math (Seniors only).
