Class: Band

Course Overview: This year at Pacific Trails Middle School, Band will be open to beginners with no prerequisites, and will consist of students from beginners to advanced levels with mixed grade levels. We'll be covering basic fundamentals such as proper breathing, note and rhythm reading, instrument position and performance techniques. For the experienced players, we will continue advanced performance techniques and musicality through the use of method books, appropriate concert band pieces, and other selected etudes. The band will be participating in multiple public performances, including a music festival in March. Public performances are mandatory. Conflicts in schedules should be worked out 2 weeks before a performance to allow time to have specific parts covered by other students.

Uniforms are required for each public concert and consist of black dress pants, black shoes, and a white polo shirt with our school's band logo on it. The polo shirts are \$25. Please write checks payable to "*PTMS Music Foundation.*"

There is a **required text book** for band entitled "*Foundations for Superior Performance*" by Richard Williams and Jeff King. Please purchase the book for your son or daughter's specific instrument (flute, trumpet, percussion, etc.) The book can be purchased on Amazon for \$6.95 or at your local music stores (Bertrand's Music, Nick Rail Music, etc.) Prices and availability may vary. If your son or daughter has not selected an instrument yet, please wait until the instrument is selected before you buy the book. If they are a beginner, I recommend that they also purchase "*Essential Elements for band, book 1*" for their specific instrument. Private lessons through a local music store would also be highly beneficial for their advancement but are not required.

Students are **required to have their own instruments** for band class. Some instruments are available to borrow from the school based off of availability (all percussion equipment, drums, oboe, bassoon, bass clarinet, tenor saxophone, bari saxophone, French horn, euphonium, and Tuba.) Instruments may be rented through your local music stores (Bertrand's Music, Nick Rail Music, etc.)

Please check out our **PTMS Music website** at (<http://ptmsmusicfoundation.weebly.com/>) for a calendar of events, forms, and more information. If you'd like to be involved with our PTMS Music Foundation, please send me an email and come to our monthly meetings to help support our music program. Students can also log onto **Google Classroom** for copies of their music, recordings, and other forms.
