

The Speech & Debate Camp

CCASD Camp, now in its third year, is a not-for-profit opportunity for students to get a head start in high school debate and learn crucial research skills.

Why Speech and Debate?

Speech and Debate teaches public speaking, teamwork, and confidence.

Participants gain valuable knowledge in current events, philosophy, and logic.

CCA's national circuit debaters will teach Public Forum debate.
National-level coach and former judge Michael Orfield will instruct speech.
