

Zero Period Option

A zero period option would allow students to begin school every day at 7:20 and leave as early as 12:35 on some days. For attendance and grading, a zero period is treated exactly the same as a class taken during the regular school day. Please know that students may not be able to access before or after-school support programs should they elect to take a zero period. If your family is interested, please have your student sign up for this option.
