# ***WELCOME TO ISPE ASSIGNMENT***

I am so glad you are going to participate in independent study program for PE! This assignment is to make sure you know and understand how to submit an assignment using Google Classroom and to record your goals for the year. Please read the following and answer accordingly. If you have any questions, please post them to the class discussion board.

All assignments will be completed and submitted electronically through Google Classroom application.

All assignments are due one week prior to the end of the grading period so Mrs. Storey can review and provide an accurate grade on-time. Assignments turned in late will earn 50% credit and those after grades have been posted will not be accepted - no exceptions. There is plenty of time to turn in work and if you need technical help, please see Mrs. Storey or Mrs. Graciano well before the due date to ensure you are able to be on time with your assignments

The due dates for the 2017-2018 ISPE class assignments are as follows:

<b><i>Fall Semester</i></b>	<b><i>Spring Semester</i></b>
<b><i>October 24</i></b> <i>1st Quarter Activity Logs</i>	<b><i>March 30</i></b> <i>3rd Quarter Activity Logs</i>
<b><i>January 19</i></b> <i>2nd Quarter Activity Logs</i> <i>Self Evaluation</i> <i>Coach's Evaluation</i>	<b><i>June 8</i></b> <i>4th Quarter Activity Logs</i> <i>Self Evaluation</i> <i>Coach's Evaluation</i>

Grades for the class will be either a P (pass) or an F (fail). Students who earn a 50% or greater in the class will receive a pass and students who earn 49.9% or less will receive an F in the course.

Your first assignment is titled "ISPE Fall Goals". Please take the time to type your goals you submitted or maybe re-submitted, for this year in ISPE. Use the provided document and insert your name into the title. Once you have typed the goals, please click the "Turn In" button at the top.

Once you complete this assignment, look to the Physical Activity Log and begin working on that by adding your name and activity. It is here that you will keep track of hours of activity throughout each quarter.

Please ask if you need help....
