Administrative Services Department

February 2, 2021

It is a privilege to welcome you to the San Dieguito Union High School District. We are looking forward to working with you and your student during the upcoming school years. This letter includes important information about the enrollment process for the 2021-22 academic school year.

The online pre-enrollment window for incoming 7th grade students will open **February 2, 2021**. Please visit the **ENROLLMENT link on the district website, sduhsd.net, or click on this link [Online Enrollment](#) to begin the enrollment process.**

All current 6th grade students will need to submit online enrollment for their designated boundary school of attendance. Please note, your student's designated boundary school is based on where you reside, not on which elementary school your student presently attends. The deadline to submit online enrollment is **February 19, 2021**. Failure to submit online enrollment by this deadline will delay the enrollment process and online course selection.

During the online enrollment period, you will need to complete the following steps:

Enrollment

1. **Confirm your boundary middle school based on your current residence address. Please click on this link for [School Locator and Boundaries Map](#)**
2. **Complete the initial enrollment for your boundary school via Aeries Online Pre-Enrollment at your earliest convenience. You will be prompted to upload required documentation, please click this link to view the [Required Enrollment Documents and Information](#)**
3. **Final Enrollment** - SDUHSD staff will finalize your enrollment based on your online entries and verification of submitted documentation. **Your enrollment will not be processed unless all required documents are received.**

If you are not able to complete the Aeries Online Pre-Enrollment electronically, please contact your boundary school to make arrangements to receive a paper pre-enrollment packet.

If your student will not be attending a San Dieguito Union High School District school for the 2021-22 school year, please notify your boundary middle school.

Immunizations

SDUHSD has a **NO SHOTS, NO SCHOOL** policy. Students are required to present their immunization records when enrolling in the district. California law requires additional documentation for students who are from out-of-state or out-of-country. Please click [here](#) to view the schedule of required immunizations.

In addition to the required immunizations for enrollment, students entering 7th Grade will also need:

- Tetanus, Diphtheria, Pertussis (Tdap) —1 dose (given at 7 years of age)
- Varicella — 2 doses

This school immunization law affects all students in public and private schools. Students who do not meet these requirements will not be enrolled in the district. (SDUHSD Board Policy 5141.31)

Course Selection and School-Specific Items

Course selection will take place March 17 - 26, 2021. Parents and students will submit their class selections and also turn in a signed Course Selection Contract and any school materials by the deadline specified by your boundary school of attendance.

Intra-District Transfers

The Intra-District transfer window is open concurrently with the enrollment window. After submitting your student's enrollment record through the online system, parents of students who reside within district boundaries and would like their child to attend a school other than the school serving their neighborhood must follow the process outlined to request an intra-district transfer. Please click the following link for information on the [Intradistrict Transfer](#) process.

Each middle school will have a virtual opportunity available for parents and students to learn more about their school and receive course selection information. Please participate at your designated SDUHSD boundary school, even if you intend to request to transfer to another school. You will be provided with information about course selection, elective courses, school bell schedule, math diagnostic placement tests, academic support services, clubs, sports, and parent portal information and most of this information is the same for each of our middle schools. For details, please visit your boundary middle school's website.

Should you have any additional questions, please contact your student's [boundary school](#), using the following emails:
