

Zero Period Option

A zero period option would allow students to begin school every day at 7:20 and leave as early as 12:30 on some days. For attendance and grading, a zero period is treated exactly the same as a class taken during the regular school day. Zero period course offerings are based on student course requests and staff availability. Please know that students may not be able to access before or after-school support programs should they elect to take a zero period. If your family is interested, please have your student sign up for this option.
