Class: Band

Course Overview: This year at Pacific Trails Middle School, Band will be open to beginners with no prerequisites, and will consist of students from beginners to advanced levels. We'll be covering basic fundamentals such as proper breathing, note and rhythm reading, instrument position and performance techniques. For the experienced players, we will continue advanced performance techniques and musicality through the use of method books, appropriate concert band pieces, and other selected etudes. The band will be participating in multiple public performances, including a music festival in March. Public performances are mandatory. Conflicts in schedules should be worked out 2 weeks before a performance to allow time to have specific parts covered by other students.

Uniforms are required for each public concert and consist of black dress pants, black shoes, and a polo shirt with our school's music logo on it. The polo shirts will be available for purchase through our website.

This year, we'll be using a program called **Smart Music**, where students can access materials to practice in class and at home. Smart Music tracks the amount of time that students are practicing, and students can record themselves for graded evaluations. The subscription price for Smart Music is \$8, which can be paid through the PTMS Music Foundation website.

Students are **required to have their own instruments** for band class. Some instruments are available to borrow from the school based off of availability (all percussion equipment, drums, oboe, bassoon, bass clarinet, tenor saxophone, bari saxophone, French horn, euphonium, and Tuba.) Instruments may be rented through your local music stores (Bertrand's Music, Nick Rail Music, etc.)

Please check out our **PTMS Music website** at (<http://ptmsmusicfoundation.weebly.com/>) for a calendar of events, forms, and more information. If you'd like to be involved with our PTMS Music Foundation, please send me an email and come to our monthly meetings to help support our music program. Students can also log onto **Google Classroom** for copies of their music, recordings, practice sheets, calendar and other forms. The class is "PTMS Band" and the code is axkyzvb.

Grading:

Participation (40%) Students will be required to participate daily. They must have their instrument in good working condition. They must be in their seat, ready to perform on time. They must attend all concerts.

Performance Tests (20%) Students will be given a selection of music in advance, to be recorded in Smart Music. It will be graded on a rubric based on note accuracy, rhythm, tone, and phrasing.

Practice Sheets (20%) Students are required to practice outside of class for 60 minutes a week through the Smart Music app.

Tests and Quizzes (20%) Students will also be given written tests and quizzes based on prior lectures and class work.
