

# ***COVID-19 TESTING ON-SITE AT SDUHSD***

San Dieguito Union High School District is happy to announce it has partnered with Phamatech Laboratories to bring convenient COVID-19 testing on-site within the District

## **What kind of testing is it:**

- Phamatech is conducting PCR testing
- Turn-around times for results are as quick as 12 hours

## **Who is this testing for:**

- SDUHSD Students/Staff who have been identified as a close contact
- SDUHSD Students/Staff experiencing symptoms of COVID-19 or are concerned about a recent case on campus
- SDUHSD Staff who have been otherwise directed to test

## **How to access this testing service:**

- Individuals must pre-register with Phamatech for an appointment using the Phamatech/SDUHSD Portal
  - <https://phamatechcoronavirustesting.as.me/sduhsd>
- Walk-ups are not permitted; you must register in order to be tested

## **When/Where is the testing:**

- On-Site Testing schedule follows on next page
- **Drive up Off-Site Testing** is also available at **Phamatech (15175 Innovation Drive) 7 days/week**; walks ups are not permitted, you must register through this link:
  - <https://phamatechcoronavirustesting.as.me/phamsduhsd>
