WHY SPEECH AND DEBATE?

1. Become confident in expressing yourself clearly and intelligibly.
2. Effectively get your point across in discussions.
3. Compete in exhilarating tournaments with your friends!
4. Discover the components of a logically sound argument and techniques to becoming a better speaker.
5. Get ahead of the competition for high school speech and debate, a highly regarded extracurricular opportunity.

WHAT CAN YOU DO?

In Speech and Debate, there's an event for everyone. Our offerings this year will include Speech, Lincoln-Douglas, and Public Forum. All events are taught by experienced instructors from the successful CCA Speech and Debate team, including State and National Championships qualifiers and recipients of bids to the Tournament of Champions.

As the year progresses, more events may be hosted if demand is met.
