

STUDENT BIKE, E-BIKE, SCOOTER AND SKATEBOARD PERMIT

To Parents of Pacific Trails Middle School Riders:

We feel that responsible students who live a reasonable distance from school and have their parent's consent should have the privilege of riding bikes, e-bikes, scooters, and skateboards to and from school. We would like to point out the following regulations:

- Under the law, a bicycle is regarded as a vehicle and as such, the rider must obey all of the traffic laws that apply to any vehicle. Signing below acknowledges all safety rules on the following page.
- Riding a bike, e-bike, scooter, or skateboard requires wearing a safety helmet at all times.
- Only one rider is permitted on the bike **AT ANY TIME**.
- Each bicycle should be locked with a personal lock. Unlocked items are susceptible to theft.
- The bike, e-bike, scooter or skateboard is never to be ridden on the school grounds and must be "walked" when students get to the parking lot.
- Space is provided below for the vehicle's make, model, frame and serial number. Please fill in this information. If your child's vehicle should be stolen, this information will help in recovering and returning it to your child. IT IS NECESSARY TO COMPLETE THIS FOR EACH YEAR AND UPON ACQUISITION OF A NEW VEHICLE.
- The school assumes no responsibility for the vehicle or its accessories.
- The privilege of riding the bike may be suspended by the school if a child does not obey the above or other reasonable safety rules and regulations.

If you wish your child to ride a vehicle to school, please fill out the form below, cut it off, and send it back to the school.
