

# Chaperone Information

- Be here by 6:45 am wearing PTMS staff gear.
- Save the phone numbers of the chaperones before/after you at your station.
- Pass out tickets as students exit the bus to the Disneyland Park. After you pass out the tickets, you can leave the clipboard on the bus so you don't misplace it.
- Here is some helpful information for [disability](#) services available at Disneyland that you can share with any students & families you think would benefit from them.
- MLL Students: cast members who speak other languages wear pins that say so.
- First bus to arrive: Take the lead towards the shuttles. Go through security and take the shuttle with the kids. Stand between Disneyland/CA Adventure and make sure they go in the correct park/not to Downtown Disney.
- Middle buses: go to the shuttles as you get there. Monitor the students around you.
- Last bus: Make sure all students leave the bus area for the shuttle and get through security. Admin & ASB advisor will also monitor the end of the group.
