Girls in STEM Lecture Series

Java Programming

Canyon Crest Academy's Girls Who Code's original **free**, after school program opens to all **6th+ graders**. Participants will learn how **to code in Java**, an essential programming language for those interested in pursuing Computer Science or other Engineering fields.

By the end of the course, students will...

→ Receive a course completion certificate (can display on LinkedIn)
→ Acquire a basic understanding of coding Java
→ Build a network with other students involved in STEM
→ Meet coding mentors to help them succeed

All genders are welcomed! We market the program as "Girls in STEM" as per our club mission.
