DOODLE FOR GOOGLE ART CONTEST

Prompt: My Wish for the next 25 Years

Inspired by Google's 25th birthday, we want you to imagine what the next 25 years might be like! Imagine the future like a giant blank playground, waiting for your awesome ideas to bring it to life!

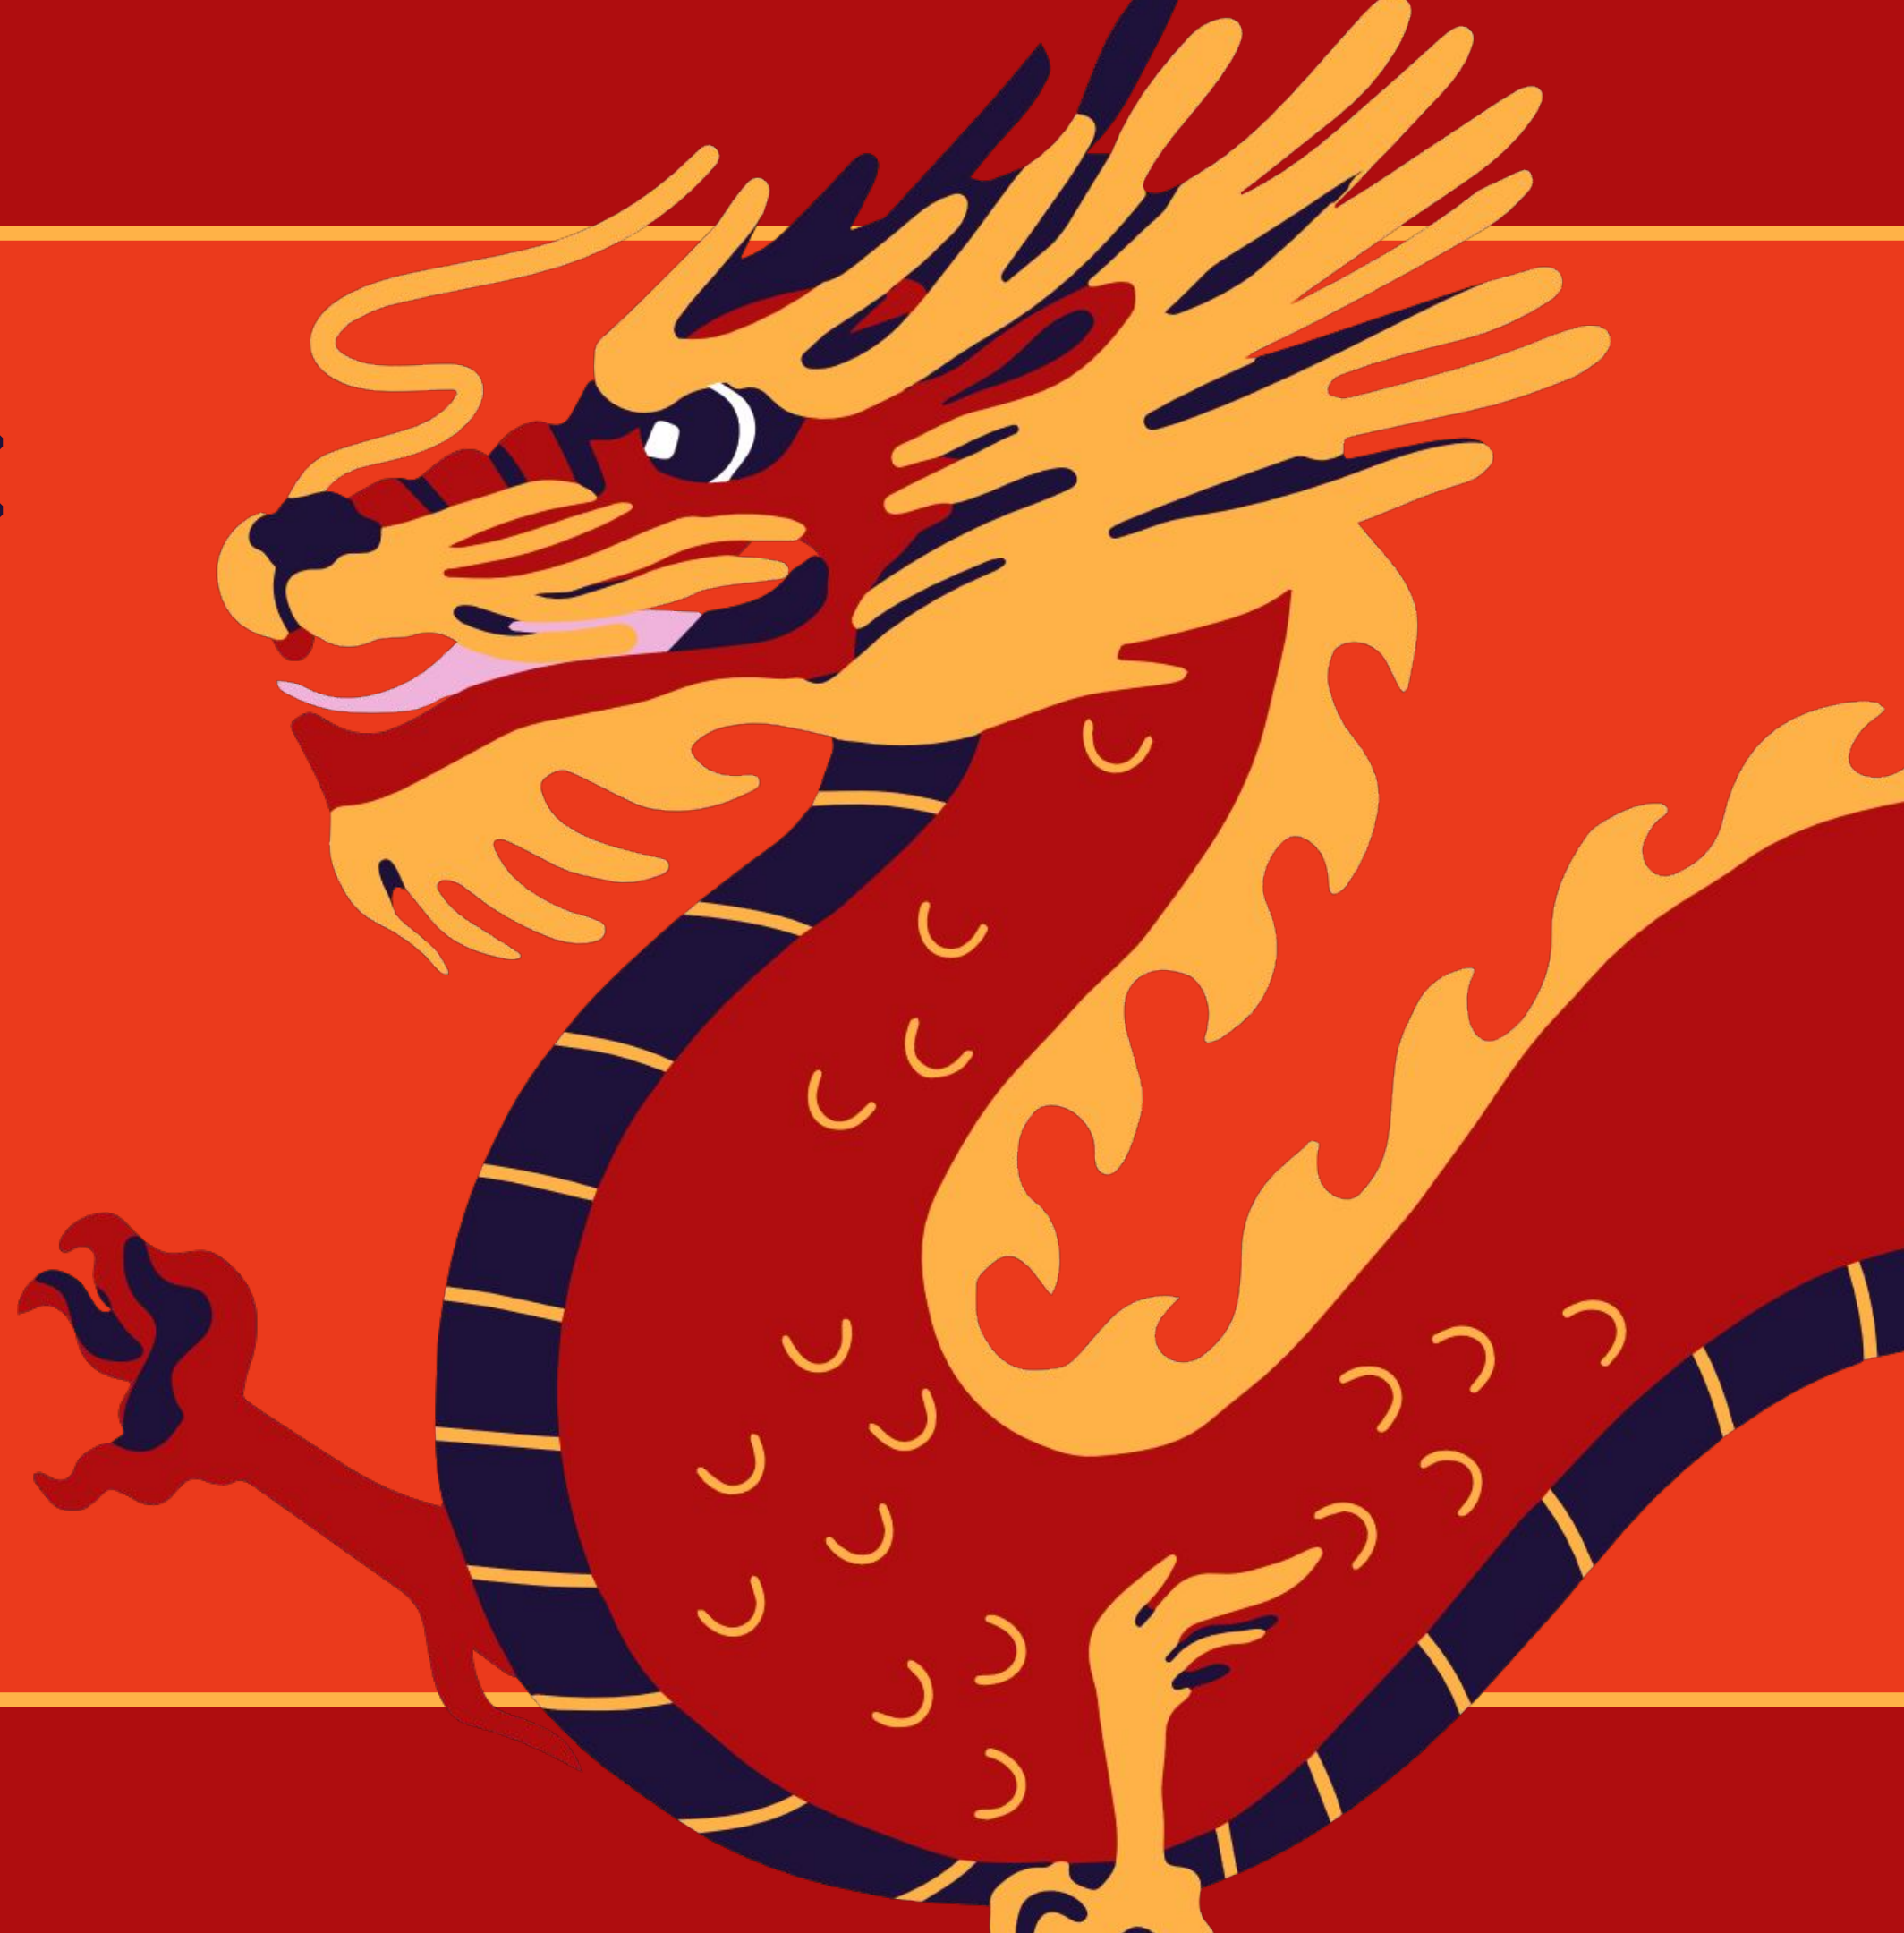

Winners could receive up to 30,000\$ college scholarship and have their google doodle displayed on google!

View more information [here](#) or ask Ms. Hynes for applications

DUE BY MARCH 9th

Club Spotlight: Garden Club

This is a club of work, planning, and dedication, but the results are beyond imagining. We are currently growing multiple veggies to eat, pollinator plants that have pretty flowers and attract hummingbirds and butterflies, and a tropical plumeria plant. We learn each week about plants and how to care for them.

HAPPY BIRTHDAY
