Club Spotlight: Garden Club

A club of work, planning, and dedication, but the results are beyond imagining. We are growing veggies to eat, pollinator plants with pretty flowers that attract hummingbirds and butterflies, and a tropical plumeria plant. We learn each week about plants and how to care for them.

Mondays at 2:45 to 3:45 in B221 or Garden

Now Recruiting Junior Volunteers

To support Critter Camp programs at Helen Woodward Animal Center!

Weekly assignments available from June 3-August 23

Qualities of Volunteers

- Mature • Dependable • Enthusiastic • Team player
- Displays leadership • Follows directions
- Experienced with children ages 2-14

Great for community service hours!

It is important to understand that the volunteer's job is working with children, *not animals*. Volunteers will be working around animals, but not directly handling them. Volunteers do prep work before and after class, clean up, assist with managing children's behavior, and supervise lunch & play time. Volunteers help the teacher with animal lessons, crafts, and games during Summer Critter Camp 2024.
