# Wolfpack Ambassador Survey

PTMS is a very diverse campus and we have students moving into our district from all over the world throughout the year! As a Wolfpack Ambassador, you will be able to help make the transition for our new students a smooth one. This may include having lunch with someone new, giving a school tour, giving student information, or being a go-to resource. If you are interested in becoming a Wolfpack Ambassador, please select yes on the bottom of the survey.

# WOLF PACK

## Wolfpack Ambassador Survey

Wolfpack,

We are launching our PTMS Student Ambassador program for the 2024-2025 year. Every year our Student Ambassadors help new and incoming students connect with PTMS.

Sometimes, we even get students who join PTMS and English is not their primary language, so it is so helpful if you are fluent in a different language and can help that student when they start at PTMS. There are also options to help by being part of groups such as the New Student Socials and offering tours to 6th grade classes in the Spring.

Please complete the survey below if you are interested in being a student ambassador.

If you have any questions, please see Mrs. Grillot in C211 or Mrs. Anderson in the counseling office.

Thank you!
