ASB Feedback Survey

The background of the slide is a vibrant, stylized pattern of tropical leaves and foliage. The leaves are in various shades of teal, pink, purple, and orange, set against a solid yellow background. Some leaves are large and detailed, while others are smaller and more abstract. In the bottom right corner, there is a small illustration of a watermelon slice with red flesh and black seeds.

HumaniCamp 2023

for rising 6-9th Graders

In Humanicamp, directed by the CCA Humanities Conservatory, students will learn the communicative and research skills required to excel in 21st century education. Guided by teachers experienced in independent research, students will broaden their intellectual horizons with philosophy, civics, ethics, and history, learning from voices and perspectives not found in traditional curricula. They'll also enrich their academic experience with explorations of creative writing and analysis of media. Through this activity-based curriculum, students can engage in a collaborative and constructive learning environment.
