# Heritage review: Hinduism

Today we'll be learning about Kailash Satyarthi, an Indian activist who works closely with Malala Yousafzai. Satyarthi is a Nobel Peace Prize winner for his work against child labor. He traveled to 103 countries trying to get them to implement International Law on Worst Forms of Child Labor. Kailash Satyarthi is a model to many young activists. He is a practicing Hindu - more on that on the next slide. We are recognizing a Hindu icon because Diwali started on Monday!

# What is Hinduism?

# Halloween Costumes

Let's stay safe and appropriate this Halloween !

1. Costumes may not include full face masks, full face paint or cover the face.
2. Costumes may not be violent or suggestive.
3. Costumes may not have anything simulating a weapon.
4. Costumes may not suggest racial attitudes that reinforce stereotypes about, mock or mischaracterize a culture, group of persons, an individual person or a religion. We are asking students to refrain from dressing up as fictionalized stereotypes that marginalize any one culture.
5. If students are unsure, please have them speak to administration. Further, if in doubt, err on the side of caution.
